

GHOST MOUNTAIN

ZULULAND'S FINEST COUNTRY INN

Bird list for the Ghost Mountain Inn & surrounding areas

The Ghost Mountain Inn is situated a pleasant walk from the Mkuze River. Apart from the birds attracted to the many indigenous plants in our bird friendly gardens we also feature birds that would be associated with the forested areas along the river banks as well as water birds attracted to the body of water in front of the hotel (for these a leisurely stroll along our jetty can be quite remarkable). A guided walk around this dam from the hotel can be a surprisingly rewarding trip - occasionally offering up such specials as Black Coucal, African Green Pigeon, African Palm Swift, Marico Sunbird and White-eared Barbets.

Not only is the birding excellent in the hotel gardens and immediate area (currently boasting a species list of 126 birds) but we offer some superb birding in the surrounding areas:

A boat cruise on *Lake Jozini* is not only a wonderful game viewing experience but water birds are in great abundance, depending on the water levels of the lake one can find many migratory wader species (seasonal), herons, egrets, cormorants and other waterfowl. In the gorge one can listen out for the many forested mountain species as we cruise beneath the Cycad laden cliffs of the Lebombo Mountains. Specials include Osprey, African Spoonbill, Bluecheeked Bee-eater,

The *Lebombo Mountains* offer a few mountainous species such as falcons, kestrels that rely on the updraft from the mountain. This area also has wonderful scenery of the surrounding areas and the traditional Zulu communities. This mountain separates the coastal plain from the slightly more rain shadowed area of the interior.

Mkhuze Game Reserve alone has a huge amount to offer birding wise with more than 450 species and its wide range of habitats and specialized sand forest yielding many range restricted, elusive and endemic species. It is situated on the coastal plain side of the Lebombo Mountains which has a sub-tropical climate. This is our premier destination for safaris. This reserve also contains 4 of the Big 5 (no lion) as well as cheetah and wild dog. Look for the possibility of Pel's Fishing Owl, Neergard's Sunbird, African Broadbill and Bluemantled Flycatcher

Hluhluwe Game Reserve is one of Kwa-Zulu Natal's flagship reserves. This area is yet another highly recommended and important birding area. This area is more an interior bush-veld type with savannah grassland, thicket and amazing forested ravines. It is a great sanctuary for birds of prey and also holds all of the Big 5, cheetah and wild dog. This is a reserve well known for saving the White Rhino from extinction.

Maputaland is by far one of the most avi-faunal diverse areas in southern Africa and one of eight biodiversity hotspots in Africa. The region offers a massive diversity of habitats from deep sea, coastal lagoons, estuaries (Lake St Lucia being the largest in Africa), coastal, dune, sand and semi-montane forests, coastal grasslands, wetlands, riverine, pan and floodplains as well as the normal savannah habitats which hold close to 600 species of birds.

The attached lists are living documents and are continuously updated by our safari guides and visiting birders. If you would like the most current lists please feel free to contact us on safari@ghostmountaininn.co.za.

Lesser Striped Swallow <i>Hirundo abyssinica</i>	Red-faced Cisticola <i>Cisticola erythrops</i>	White-bellied Sunbird <i>Cinnyris talatala</i>
Brown-throated Martin <i>Riparia paludicola</i>	Tawny-flanked Prinia <i>Prinia subflava</i>	Grey Sunbird <i>Cyanomitra veroxii</i>
Black Saw-wing <i>Psalidoprocne holomelaena</i>	Spotted Flycatcher <i>Muscicapa striata</i>	Scarlet-chested Sunbird <i>Chalcomitra senegalensis</i>
Fork-tailed Drongo <i>Dicrurus adsimilis</i>	African Dusky Flycatcher <i>Muscicapa adusta</i>	Collared Sunbird <i>Hedydipna collaris</i>
Black-headed Oriole <i>Oriolus larvatus</i>	Southern Black Flycatcher <i>Melaenornis pammelaina</i>	Cape White-eye <i>Zosterops virens</i>
Pied Crow <i>Corvus albus</i>	Chinspot Batis <i>Batis molitor</i>	House Sparrow <i>Passer domesticus</i>
Southern Black Tit <i>Parus niger</i>	African Paradise-Flycatcher <i>Terpsiphone viridis</i>	Yellow-throated Petronia <i>Petronia superciliaris</i>
Dark-capped Bulbul <i>Pycnonotus tricolour</i>	White Helmetshrike <i>Prionops plumatus</i>	Thick-billed Weaver <i>Amblyospiza albifrons</i>
Terrestrial Brownbul <i>Phyllastrephus terrestris</i>	African Pied Wagtail <i>Motacilla aguimp</i>	Spectacled Weaver <i>Ploceus ocularis</i>
Sombre Greenbul <i>Andropadus importunes</i>	Cape Wagtail <i>Motacilla capensis</i>	Village Weaver <i>Ploceus cucullatus</i>
Yellowspotted Nicator <i>Nicator gularis</i>	Yellow-throated Longclaw <i>Macronyx croceus</i>	Lesser Masked-Weaver <i>Ploceus intermedius</i>
Olive Thrush <i>Turdus olivaceus</i>	Southern Boubou <i>Laniarius ferrugineus</i>	Red-billed Quelea <i>Quelea quelea</i>
Kurrichane Thrush <i>Turdus libonyanus</i>	Brubru <i>Nilaus afer</i>	Southern Red Bishop <i>Euplectes orix</i>
White-browed Robin-Chat <i>Cossypha heuglini</i>	Black-backed Puffback <i>Dryoscopus cubla</i>	Fan-tailed Widowbird <i>Euplectes axillaris</i>
Willow Warbler <i>Phylloscopus trochilus</i>	Fiscal Shrike <i>Lanius collaris</i>	White-winged Widowbird <i>Euplectes albonotatus</i>
Little Rush-Warbler <i>Bradypterus baboecala</i>	Redbacked Shrike <i>Lanius collurio</i>	Redbilled Firefinch <i>Lagonosticta senegala</i>
Yellow-breasted Apalis <i>Apalis flavida</i>	Common Myna <i>Acridotheres tristis</i>	Blue Waxbill <i>Uraeginthus angolensis</i>
Long-billed Crombec <i>Sylvietta rufescens</i>	Violet-backed Starling <i>Cinnyricinclus leucogaster</i>	Common Waxbill <i>Estrilda astrild</i>
Burnt-necked Eremomela <i>Eremomela usticollis</i>	Cape Glossy Starling <i>Lamprotornis nitens</i>	Bronze Mannikin <i>Lonchura cucullata</i>
Green-backed Camaroptera <i>Camaroptera brachyuran</i>	Red-winged Starling <i>Onychognathus morio</i>	Yellow-fronted Canary <i>Serinus mozambicus</i>
Rattling Cisticola <i>Cisticola chinianus</i>	Marico Sunbird <i>Nectarinia mariquensis</i>	Bully Canary <i>Serinus sulphuratus</i>
