

WTM 2007 ETHOS UPDATE

JOIN TOURISM KWAZULU-NATAL FOR A BUNNY CHOW

Tourism KwaZulu-Natal will again be running their popular Bunny Chow event at World Travel Market on **Wednesday 14 November at 5pm** on the South Africa stand **AF3200**. A Bunny is one of the most popular take-aways in Durban ... a half-loaf of bread with a scooped-out middle, filled with a meat or veggie curry! The scooped out bits are usually used to mop up the sauce – yum!! Mini bunnies, as well as some other South African favourites will be available for 'tasties' – along with drinks, good conversation and warm Zulu Kingdom hospitality! Not to be missed! Just follow your noses....

THE BLUE TRAIN

The Blue Train is delighted to announce that, since the 1st October 2007, they again have 2 train sets running, offering increased departures and more options for charters and special excursions for 2008. The damaged train set has been in for repairs for 2 years so this is a much-anticipated return to the tracks! Other news for 2008 is that all Cape Town departures will be leaving at 08h50 instead of 11h00. There is also a brand new excursion on offer on the northbound route. Instead of stopping at Matjiesfontein, the itinerary will now include a visit to the Aquila Game Reserve.
