The Lapa is a key element of your safari experience at Konkamoya. Fashioned to fit perfectly within the natural elements surrounding it, this renovated modern space is where our chefs will serve your meals, and our bartenders will create all manner of drinks to satiate your thirst. The elevated dining, bar, and lounge areas are airy and light, well-appointed with furniture created by Andrea and his Team from sustainable wood sources and using local craftspeople, capturing views over the plains down to the lake.

The infinity pool with its sundeck offers a space to cool down, catch the rays, and quietly observe the surroundings, and our raised firepit is ideal for enjoying an after-dinner drink while sharing stories of the activities of your day and preparing for the next.
