

## **ROYAL MADIKWE'S NEW SOVEREIGN HOUSE**

Exciting news is that in May 2019 Royal Madikwe will be revealing its new villa **THE SOVEREIGN HOUSE**. This luxurious 3-bedroomed “home away from home” is ideal for larger or multigenerational families who wish to escape to a tranquil space. The Sovereign House comprises 3 spacious bedrooms, two bathrooms, lounge, kitchen, wine cellar, library and both indoor and outdoor dining spaces as well as a beautiful boma. The villa has it all with extensive wrap around decks adorned with loungers and a day bed around a private plunge pool and comfortable outdoor seating shaded by Marula tree’s where one can enjoy the sights and sounds of the African bush while herds of Elephants, Buffalo, Zebra’s and more pass by....

To further enhance the intimacy of your family safari experience, this villa comes with a private vehicle and guide.

The rate will be R69,000 per night for the whole villa which sleeps up to 6 guests. For larger families or groups of friends, up to 8 guests can be accommodated using two additional beds.

The Sovereign House has free high speed wifi and Netflix for those who want it – although we are pretty sure they won’t be looking for any additional entertainment apart from the show going on in front of the private game viewing deck which overlooks an ancient, and still very busy, elephant path.
