There are also **3 swimming pools** so plenty of space for everyone.

Children are welcome to join the **guided safaris into uMkhuze and Hluhluwe-Imfolozi Game Reserves** - and the **boat safaris** on Lake Jozini are not to be missed. Resident guide Jean might even let them steer the boat while the family spots hippos and crocs in the water as well as elephants and other game on the shores.

Jean also arranges **Grubby Bug nature walks** for the kids, where they go on an 'insect safari' in search of creepy crawlies, frogs and other creatures.

Kids can enjoy fun activities like **pizza making**, **roasting marshmallows** around the boma camp fire and enjoy **fishing** and **canoeing** off the jetty in front of the lodge, looking out for terrapins, water birds and fish.

They can learn **navigational skills**, do a **treasure hunt** and learn about the **stars**. It's all about **adventure!**

They will also learn about the local **Zulu culture** while they play - creating Zulu beading and bending wire to make vehicles. This is authentic rural Africa – and a real highlight for many families is visiting and even attending a class at the **Mtwazi Combined School** to compare notes and learn to **stick fight** with local Zulu boys!

Baby-sitting facilities are available to give parents some down time to enjoy the spa etc.

Ghost Mountain Inn offers incredible value for money that will have families coming back year after year.

- One child under 12 stays free per paying adult in **Garden Rooms, Mountain View Rooms and Suites** only.
- This is complimentary room only basis.
