

FANCOURT REFURBISHMENTS 2018

As part of Fancourt's continued commitment to maintaining the highest of standards, they will be renovating various elements on the Estate over the next few months. There will be minimal disruption to guests over this period.

The Spa at Fancourt

The Spa facilities such as the Roman bath, steam room, sauna and tepidarium will close from 16 July 2018 to 10 August 2018 as they will be retiling the floor over this period. Guests can still make use of the Indoor heated pool at the Sports and Leisure Centre over this time. Suites in The Manor House will be used as treatment rooms for guests to continue enjoying various spa treatments.

Ladies Boutique

The boutique shop adjacent to The Spa will be closing over the same period as The Spa for shop fitting to improve the flow and guest experience within the shop.

Ladies Hair Salon

The Ladies Hair Salon will close on 27 April 2018 and will re-open Mid May 2018. Shop fitting and updating of the salon will take place over this time.

The Manor House and Henry Whites

The Manor House and Henry Whites will be closed from 01 to 30 June 2018. Re-carpeting of the Manor House passages and some soft refurbishment work in the main areas will take place while Henry Whites' floors will be re-done.

Sports & Leisure Outdoor Swimming Pools

On 28 May 2018 the outdoor pool will be closed and resurfaced. The pool is expected to reopen on 10 June 2018. The heated indoor pool at the Sports and Leisure Centre will be open for guests use as an alternative.

Sports & Leisure Indoor Swimming Pools

The indoor heated pool will be closed from 22 October to 11 November while they resurface it and add new drainage systems around the pool edge. The outdoor pool will be open and available for guests use.

Reservations Office Roof

From 22 June to 22 July 2018 the reservations office will relocate to the conference centre and the building they are in will be renovated. This building is a heritage building and was the old horse stables on the original farm. Upkeep of this roof is required and we will be replacing the current shingles (roof tiles) over this period.
