

LET THE ROYAL COUNTDOWN COMMENCE

The new Sovereign House Opens in July 2019

Exciting news is that in July 2019 Royal Madikwe will be revealing its new and exquisite 3-bedroomed SOVEREIGN HOUSE. This decadent “home away from home” is ideal for groups of friends or multigenerational families wanting an exclusive “Big 5” wilderness experience in a malaria free game reserve.

The Sovereign House is located at the far end of Royal Madikwe Luxury Safari Lodge and comprises 3 spacious bedrooms with ensuite bathrooms, a large lounge with a wood burning fireplace as well as a library, kitchen, and open-plan dining area with wine cellar. It also comes with its own private vehicle and guide.

This bush retreat truly has “wow” factor - enveloped by spacious decks with ample outdoor seating, a shaded dining space as well as an adjacent private boma under the stars. The daybed is the perfect spot to chill beside the plunge pool.

There is free high speed WIFI and Netflix for those who want it – although any added entertainment seems unnecessary as the deck boasts uninterrupted views over an ancient game path where large herds of elephants, buffalo and other animals amble past regularly as they head to the waterhole in front of the lodge.

The “Opening Year Launch Special Offer” rate will be from R55,000 per night for the whole villa which sleeps up to 6 guests, going up to R69,000 in peak season. The villa can also accommodate an additional cot for a child under 2 yrs. For more information visit <https://royalmadikwe.com>
