

[Fancourt](#), South Africa's leading golf and leisure resort is the ideal spot to base yourself for a few days while exploring the famous Garden Route. There is certainly no shortage of things to do from the youngest to the oldest at Fancourt which is why we recommend families "Stay and Play" with us for at least a week. This allows you to base yourself at a central point on the Garden Route and then opt to either stay on the resort itself and enjoy the many activities and facilities on offer- or do day trips from George as there are numerous tourist attractions within easy driving distance of no more than a couple of hours – from exploring the Cango Caves and interacting with orphaned elephants, to sailing out to the Knysna Heads, sunning yourself on the beach at Heralds Bay or exploring some of the newly emerging wine estates on the Garden Route.

## FANCOURT KIDZ

Fancourt offers a state of the art Leisure Centre, that is equipped for all weather – with an indoor heated pool and soft play and activities room for cooler weather where they can enjoy a range of toys, arts and crafts and board games – or a lovely outdoor playground area with jungle gym and refreshing pool for hot sunny days. The "Fancourt Kidz" Club offers a daily fully-supervised programme **for children aged 3 – 10 years** that ensure they have the time of their lives – while parents perhaps relax on a lounge, head to the spa for a treatment – or enjoy a round of golf on one of Fancourt's 3 Championship courses. This club opens at 08h00 and closes at 16h30, with lunch from the Club Lounge (not included) being served between 12h00 and 13h00. Children under 3 years must be accompanied by an adult/babysitter (which can be hired). Children can also sign up for golf or tennis lessons.

## THE TEEN SCENE

Tweens and Teens will love hanging out at the trendy, laidback Teen Lounge equipped with the latest gaming facilities, table tennis and a pool table. There is also a mini cinema on the top floor – or Teens can enjoy the high-tech gym with sauna and dance studio (12 – 14yrs require adult supervision). They will love the freedom of exploring the estate – be it on mountain bikes or on foot !

## DAYS OUT

There are lots of opportunities to experience wildlife on the Garden Route (without the fear of malaria) such as monkeys at Monkeyland rehabilitation Park, elephants at the Knysna Elephant Park, Ostriches in Oudtshoorn and whales and dolphins surfing the ocean from boat

trips. There are two fantastic sandy beaches a short 15 minute drive away from Fancourt at Heralds Bay and Victoria Bay with “beach bus” shuttles available in season. And all this without the hassles of continuously packing and unpacking!

## HOME FROM HOME

Fancourt offers fantastic two-bedroomed suites designed specifically for families with separate lounge and dining area. Their one-bedroomed suites with separate lounge areas are also spacious enough to allow for one or even two small children to share with their parents on roll out beds at no extra cost.
