

# Family Fun at Ant's

Ant's Nest and Ant's Hill in South Africa's malaria-free Waterberg Game Reserve are undoubtedly two of the most child friendly safari lodges found in Africa. Family safaris are Ant's speciality – but what makes them pretty unique is that they welcome children of all ages on their game viewing activities. There are no lion or elephant in the reserve which makes it very safe for even small children.

It's a true "home from home" experience - but with a wonderful African twist - like rhinos grazing just meters from your heated swimming pool, 90 beautiful horses living wild on the reserve, standing by to take you out on a wildlife adventure, dinners lit up by the stars above –and a vast variety of thrilling safari activities on the "menu", including:

- Guided 4x4 game drives by day and night
- Guided walks and walking safaris
- Bug and spoor walks / learn to become a ranger
- Led pony rides for beginners or under 4's
- Horse riding lessons
- Horse riding safaris including
- Swimming with the horses (seasonal)
- Rhino tracking
- Snake and reptile talks / handling
- Fishing (seasonal)
- Mountain biking
- Archery
- Night sky safaris (additional charge)
- Visit to a local children's home (additional charge)

**[Ant's Nest and Ant's Hill](#)** are two beautiful safari lodges with an informal, relaxed atmosphere that is perfect for families. These bush houses are intimate enough to offer maximum flexibility - so there are no fixed times and all activities are tailored to each family's needs. Parents decide when and where to enjoy dinner, and if they fancy a bit of "down time" - or want to head out for some family bonding in the bush to spot over 40 species of game including rhino, buffalo, giraffe, zebra and antelope. Ant's has a selection of wonderful ponies catering to both the novice and experienced child rider. Children under 4 are led on a pony in and around the lodge area as they are still too young to be taken out on long outrides. Both lodges have family friendly accommodation ranging from an extra bed in your suite through to a private family cottage for six. Facilities at each lodge include a heated swimming pool, trampoline, badminton & volleyball courts as well as a selection of toys and books. For full details visit <https://waterberg.net>
