

SPA-FARI SUBLIME AT GHOST MOUNTAIN INN

Ghost Mountain Inn in Zululand, KwaZulu Natal is delighted to share their new photos of their completely refurbished spa. A great way to relax after a day out on safari!

New facilities include:

- 4 brand new treatment rooms
- Chill room Terrace/sun-bathing area
- Pedicure and manicure stations
- Steam room
- Splash pool
- Retail outlet
- His and hers bathrooms

There is also a steam room and relaxation area with private plunge pool to rest in between treatments.

The GMI team of experienced therapists includes Spha, Buyie, and Yolisa. Guests can enjoy two distinct spa product offerings, namely Terres d'Afrique (an organic skincare range created from African plant extracts) and Dermalogica (offering personalised solutions to a range of skin concerns). New treatments on the spa menu include Afrique Arising (60 min rehydration facial), Afrique Rediscovered (45 min body rejuvenation), and a fully body Afrique Aroma Massage (60 min) using a blend of aromatic African bush-inspired aromatherapy oils. Their Sundowner Package is particularly popular with guests - including a long soak in an outdoor tub, a self-exfoliation and body mask steam session and finished off with a full body Afrique Aroma massage. The pampering session ends with a glass of bubbly and snacks, surrounded by lanterns in the relaxation area. The Three Thirty is also a fantastic combination of 3 different half-hour treatments.

Ghost Mountain Inn's new **FULL BOARD RATE** includes Dinner, Breakfast as well as one daily activity – be it an uMkhuze Game Drive, a boat cruise on Lake Jozini, a Lebombo Mountain Scenic Drive, a Zulu cultural experience, hike or any 60 minute Spa Treatment.
