

THE ROYAL MADIKWE
LUXURY SAFARI LODGE

The Royal Madikwe's New Honeymoon Package

Madikwe Game Reserve in South Africa's North West province is undoubtedly one of the best malaria-free game reserves to spot the "Big 5" on safari. Madikwe is unique in that it is a "boutique" reserve which does not allow day /self-drive visitors meaning that the game viewing is very exclusive with only qualified field guides conducting safaris in open game vehicles which are allowed to go off-road to track wildlife through the bush. Wildlife viewing is phenomenal, with the 750 km² reserve being home to an abundance of more than 8000 animals including the iconic "Big 5" as well as endangered African Wild Dogs and Cheetahs.

It is also home to the exclusive family-owned [Royal Madikwe Luxury Safari Lodge](#), which is a very intimate 5-star lodge sleeping a maximum of 21 guests. All six of its suites are incredibly spacious with decadent beds shrouded in crisp white nets, beautifully appointed ensuite bathrooms with indoor and outdoor rain showers, cosy fireplaces, well stocked mini bars and beautiful decks/balconies with private plunge pools and sun loungers. The Royal Villa even boasts an outdoor bath tub under the stars!

It is a fantastic retreat for Honeymooners – and the team really go out of their way to make newlyweds feel extra special with a private dinner, romantic turndowns each evening, a congratulatory note and bottle of sparkling wine on arrival in their room. Additionally, if Honeymooners book the [Lenyalo Honeymoon Suite](#), not only do they get to enjoy the best views over the waterhole from their 115 m² private deck with plunge pool - but they truly will feel like "royals" with a complimentary 30-minute back and neck couple's massage, a LUSH pamper pack and a private Champagne Picnic in their suite per stay. Rates in the Lenyalo Suite are R12,500 (about £660) per person per night including 5-star luxury accommodation, all meals, most local beverages and 2 daily game drives. The minimum stay is 2 nights.

An incredible 20% of The Royal Madikwe's profits are donated to the local community upliftment – so there is the added benefit of knowing your honeymoon is bringing joy to others. Madikwe is just 3 ½ hours by car from Johannesburg - or a short hop by light aircraft to the nearby Madikwe Western Airstrip.
