GHOST MOUNTAIN  
ZULULAND'S FINEST COUNTRY INN

## MORE ROOM AT THE INN... & KIDS STAY FREE IN THE UK SUMMER HOLIDAYS

Craig and his team at Ghost Mountain Inn hate turning guests away with the dreaded “sorry there’s no more room at the Inn” - so they are delighted to be opening up a new wing with 22 beautiful Mountain View rooms and 2 additional suites (making 3 in total) later this year. They are also building a larger pool with a great view of the lake, upgrading their (already beautiful) terrace area, building a new gym and refurbishing the Spa. The works are being carefully managed to have a minimal effect on guests. Check out the artists impressions below.

**Ghost Mountain Inn** is situated at the foot of the legendary Ghost Mountain in KwaZulu-Natal, South Africa and is undoubtedly Zululand’s finest Country Inn. A great base for exploring the area (uMkhuze, Hluhluwe-Imfolozi and many more) with a wide range of activities and excursions on offer including amazing boat safaris on lake Jozini.

**NEW SPECIAL OFFER: Kids under 13 sharing with their parents stay free during August 2017 or July and August 2018, including Bed & Breakfast when staying for 4 nights or longer.**
