

MAJEKA HOUSE - WINTER WARMER 2020

Book a Premier Room for 4 nights or longer between 1 May to 20 June 2020 and receive a 20% discount - plus a free room upgrade to highest category available. *

Majeka House in the Stellenbosch winelands is a fabulously quirky boutique hotel with just 23 individually styled rooms and an award-winning restaurant - tucked away in the leafy suburbs of Stellenbosch. It's a great family owned and managed bolthole – and is especially inviting during South Africa's winter months where, on cooler days, you might find a cosy spot near the fire in the Majeka Lounge to enjoy a quiet drink or a tasty bistro lunch – or perhaps enjoy a treatment in the spa or unwind in the jacuzzi, steam room or sauna. Guests love spending time relaxing in the indoor heated hydrotherapy swimming pool - a rare find in South Africa! Majeka Kitchen's "Small Plates" menu is also the best way to spend a night "in" – complemented by an extensive wine list!
