

## FANCOURT NEWS UPDATE – APRIL/MAY 2019

The team at Fancourt, the world-class golf and leisure resort on South Africa's Garden Route, was delighted to hit a very special target recently. They managed, with the help of their members, guests and staff, to collect a whopping 450kgs of plastic bottle tops over the year.

Not only is this an exercise to recycle plastic - but by reaching this milestone, enough funds were raised to donate a wheelchair to someone in need from the local community around George.

**AND THE WINNER IS...**

We are proud to announce that Fancourt has been awarded the 2019 Golf Digest Editors' Choice Award for the Best Golf Resort – Africa and Middle East! 🏆 To read more about their new Pro packages [click here](#).

## 25 YEARS OF THE RAINBOW NATION – AND HAPPY BIRTHDAY FANCOURT!

Fancourt is celebrating its 25<sup>th</sup> anniversary this year - as it was the birth of the new democratic South Africa that inspired Hasso and Sabine Plattner to begin their Fancourt journey with a long-term goal of uplifting the local community around George. Their philanthropic work is world-renowned, especially in education, health care and rain forest conservation.

## TAKE A WALK ON FANCOURT'S WILD SIDE

The team at Fancourt has been very busy creating a new guide book showcasing the various animal and plant species that are being protected on the Estate and can be enjoyed on various walks. We will keep you posted on the new "Fancourt Wildlife Guide and Botanical Walk".
