

HORSEY HEAVEN FOR ONE?

South Africa is synonymous with safaris ... but did you know that one of the best ways to be “at one” with nature is on a solo horseback holiday?

[Ant’s Nest and Ant’s Hill](#) are two beautiful bush houses in the malaria-free Waterberg Game Reserve in Limpopo, offering panoramic views over a private game reserve below.

Ant’s offers a true “home from home” experience - but with a wonderful African twist! For instance, rhinos grazing just meters from your heated swimming pool, mingling with the 90 beautiful horses living wild on the reserve, standing by to take you out on a wildlife adventure, dinners lit up by the stars of the Milky Way above – and a vast variety of safari activities on the “menu”!

There are no lions or elephants in the reserve which makes it ideal and very safe for horse riding and walking. Ant’s also offers traditional 4x4 guided game drives by day and night to spot over 40 species of game including rhino, buffalo, giraffe, zebra and antelope. Guests can also enjoy mountain biking, archery, night sky safaris, massages and fishing.

Ant’s is the perfect place for guests to escape from **everything and everyone** if they so wish - and is thus a popular haven for solo travellers of all ages who literally just book themselves in for a whole week! It’s great for small groups of friends who enjoy each other’s company but don’t necessarily want to share a room - or those who just want to travel solo for some alone time to enjoy the peace and quiet, without having to pay the price in single supplements. Should you have a companion that would like to travel with you but cannot ride, there is plenty to do for them such as, walks, game drives, night drives, mountain biking but if they are keen learn how to ride in the bush, we are more than happy to teach.

There are certain times of the year when Ant's Nest & Ant’s Hill waives its usual single supplement in their 2 x Davidson standard rooms, Rondavel and Eagles Nest to encourage solo travellers, including for 2020:
