

LITTLE GARONGA

BIG WOW FACTOR

If TripAdvisor reviews are anything to go by, British travellers absolutely love Garonga in Limpopo's Makalali Game Reserve. In fact, they love it so much that it was recently voted as one of the "Top 25 Small Hotels" in South Africa. But what many people perhaps don't realise is that this semi tented safari camp also has an intimate sister lodge called "Little Garonga" which offers the same legendary "safari for the soul" and service – but staying in more boutique-style safari lodge.

Little Garonga comprises just three decadent stand-alone suites with the added luxury air-conditioning in contrast to the under-canvas experience. The thatched suites are situated around centralised indoor/outdoor lounge area with a refreshing swimming pool and camp fire pit. Each suite has its own deck with hammock. The Hambleden suite is an exclusive villa complete with a raised deck, two separate bedrooms (so ideal for families with children over the age of 6), its own plunge pool, private indoor/outdoor lounge areas (covered) and a huge bathroom with a beautiful hand beaten copper bath tub and indoor/outdoor showers. Little Garonga has its own host, chef, waiter and housekeeper so is totally self-contained.

DON'T FORGET - Guests booking Chiltern or Buckingham Suites at Little Garonga will get an automatic upgrade to the Hambleden Suite if it is available at time of booking
- worth around £150. Travelling before 31 December 2019. This offer CAN be combined.
