

MalaMala Announces Pay 3 Stay 4 Offer for 2020

MalaMala is delighted to share its [2020 rates](#) and have also introduced a Pay 3 / Stay 4 promotion, applicable for the period **04 January to 09 April 2020**, offering exceptional value over this period at all three of its properties, namely MalaMala Camp, Sable Camp and Rattrays Camp. A minimum of four nights is required between any of the three camps and the complimentary night is applied to the lowest rated night.

MalaMala has recently completed the “re-imagination” of MalaMala Camp and Sable Camp and the feedback from guests and travel partners has been overwhelmingly positive. The camps have been reinvigorated with a contemporary edge but have retained the soul and character that is uniquely MalaMala. Rattrays Camp has also had a material “softs upgrade” in the past six months.

There has also been a strong focus on elevating and enhancing service levels across the board with special emphasis on the culinary and dining experience at all three camps. They have also significantly improved the spa & massage offering which now includes a broad range of treatments.

Whilst all these changes in the camps have far exceeded expectations, the MalaMala experience remains firmly “All about The Wildlife” and offering guests an unrivalled, exceptional safari adventure.

MalaMala Game Reserve enjoys a prime position in South Africa with its massive 33,000 acres of pristine wilderness strategically sandwiched between the Sabi Sands Wildtuin to the west and the famous Kruger National Park to the east, ensuring legendary “Big 5” game viewing. Added to this, there is a 12-mile unfenced boundary with Kruger allowing game to roam freely, and the reserve straddles the world-renowned Sand River which ensures excellent wildlife sightings from all 3 of its prime riverside properties. This is “Untamed Africa” as it is meant to be thanks to five decades of dedicated commitment to conservation - setting the benchmark for sustainable eco-tourism.
