

## MALAMALA STRIVES FOR ACCESSIBILITY

MalaMala prides itself on being one of the few safari destinations in the Kruger/Sabi Sands area that offers a wheelchair friendly suite at its MalaMala Camp. The room has been designed in accordance with the Disabled People's Information Service of South Africa and is in line with international standards. Room 27 is a luxurious suite overlooking the waterhole and boasts the following features:

- Master bedroom with two ensuite bathrooms and an additional disabled bathroom which can comfortably accommodate a guest who is wheelchair bound. This includes a wheel-in shower with all the necessary fittings.
- Desk/ table surfaces specifically adjusted to the correct level at which a wheelchair is positioned.
- No loose rugs/ carpets which will impede the movement of a wheelchair.
- A separate lounge area which may be converted to a bedroom should a disabled guest require assistance from an accompanying nurse/ aid.
- Ramp entrance into the room
- 24-hour temperature control.
- Elevated deck overlooking the bush.
- Game drives are conducted safely in a suitably equipped Land Rover with ramp access
