

Meet Nathan - Safari Guide at Konkamoya

About Me :

I am a safari guide with 8 years of experience, training at Zambia's premier guiding school, and decided to put my extensive knowledge into practice and join the Konkamoya team in Kafue National Park.

Hello My Name is
Nathan Maingaila

Interesting fact

It's not just about spotting wildlife anymore. We're educators, storytellers, and conservation advocates. Our understanding of the natural world is constantly evolving, and I feel a responsibility to stay up-to-date on the latest research and share that knowledge with my guests.

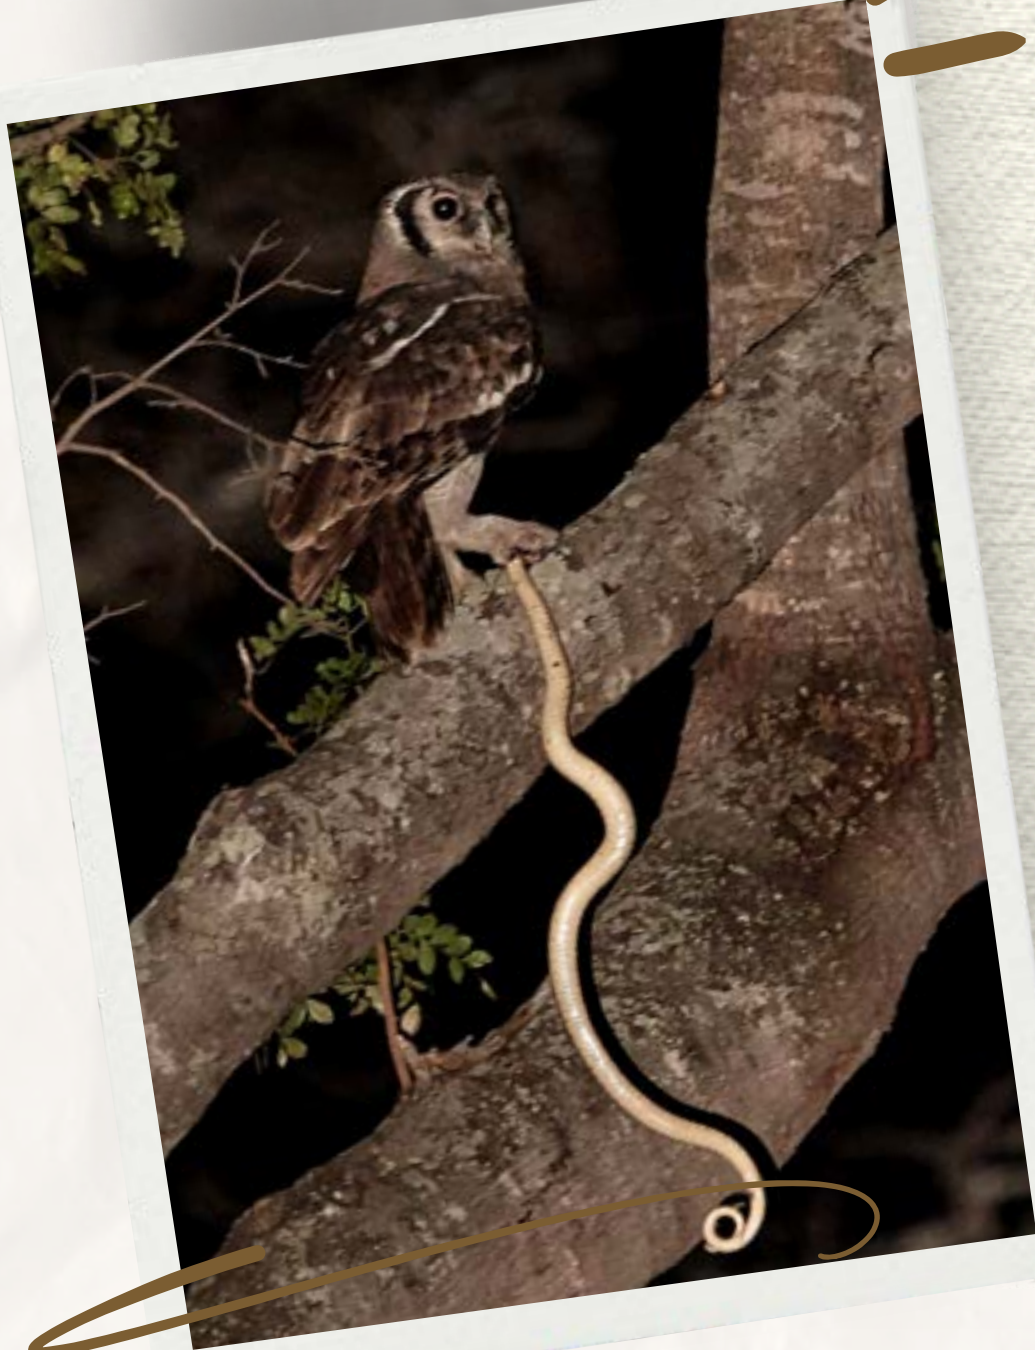

Best advice received

Always be humble and open to learning. The bush is full of surprises, and there's always something new to discover, whether it's about animal behaviour, the interconnectedness of ecosystems, or the rich culture of the local people

My motto

"Conservation is the key for our better life."
