

## Tie the knot on a "safari for the soul" at Garonga

Garonga is an exclusive 12-bed tented safari camp situated west of Kruger National Park in South Africa's Limpopo Province. This intimate bush camp repeatedly wins awards and is the perfect spot in which to exchange wedding vows – be it up in the tree house, in the beautiful boma under the stars - or on Garonga's beautiful deck as the sun sets. Newlyweds won't want to leave and are encouraged to stay on for a few days of honeymoon bliss! Garonga's holistic philosophy is to offer a 'safari for the soul' - an unhurried and intimate wildlife encounter with Africa's Big 5 but with the emphasis on relaxation. Romantic "musts" include the bush bath for two under the stars and a wildly romantic sleep-out on a deck in the bush! There are two daily guided game drives and a bush walk - but guests set their own pace at Garonga – so honeymooners might just opt for some chill-out time in their hammock on the private deck, to lounge around the pool – or be pampered at the bush sala/spa.
